ANNUAL KERBSIDE PRUNING COLLECTION UPDATE

In previous years, we have offered an annual kerbside pruning collection in July/August to properties within main townships and urban areas.

With the introduction of the Food Organics, Garden Organics (FOGO) kerbside collection from July 2023, this service will no longer take place.

Those properties that would ordinarily be eligible for this service will soon receive a new 240L FOGO (green-lid) bin to dispose of pruning's, noxious weeds, leaves, grass clippings and other green waste, and have it collected weekly.

Myrtleford, Mount Beauty and Porepunkah Transfer Stations will continue to run their usual free green waste weekends, with dates to be set.

For further information or to have a chat about the upcoming service, you can contact Customer Service on 03 5755 0555 or email info@alpineshire.vic.gov.au
