

Single Farm Enterprise Exemption Application Form

Emergency Services and Volunteers Fund

Part A - Information

Part B - Request Details

Where multiple parcels of farm land are used to operate a single farming enterprise, a person may only be required to pay the fixed charge once by applying for the single farming enterprise exemption. To apply, a person must submit this form, completed and signed to the councils where the relevant properties are located. You must notify the councils if the circumstances relating to your application change, as this may affect your eligibility for the exemption.

request that the properties detailed under Part E be considered a single farm enterprise for calculating	the Emerge	ency
Services and Volunteers Fund (ESVF) in accordance with the Emergency Services and Volunteers Fu	ind Act 2012	2.

Part C - Eligibility Validation		
Please tick the appropriate answer to each question relating to the land which forms part of the single	farming ente	erprise:
All of the land is farmland.	Van	Non
All of the land is farmland.	Yes	NOII
Farm land is land that is used primarily for grazing (including agistment), dairying, pig-farming,		
poultry-farming, fish-farming, tree-farming, bee-keeping, viticulture, horticulture, fruit-growing or		
the growing of crops of any kind or for any combination of those activities. It may include one parcel of land that is the principal place of residence of a person(s) carrying on the single farm enterprise,		
provided that the principal place of residence is contiguous to farmland.		
provided that the principal place of residence is configuous to farmland.		
* Note: The single farm enterprise exemption can only be claimed in respect of one principal place of		
residence. Both the fixed and variable components of the ESVF will be levied on any other principal		
place of residence that is contiguous to farm land forming part of the single farm enterprise.		
All of the properties are occupied by the same person(s) and are farmed as a single enterprise.	Yes	Non
* Note: Each parcel must be used to carry on a single farming enterprise. If the lands are used to		
operate several different ventures, a separate application is required in respect of each enterprise. A		
fixed charge will be payable for each venture.		
Each property is used to carry on a single business of primary production that has a significant and	Yes	Non
substantial commercial purpose or character; and		
(i) that seeks to make a profit on a continuous or repetitive basis from its		
activities on the land; and		
(ii) that is making a profit from its activities on the land, or that has a recensely propert of making a profit from its activities on the land if it continues to		
reasonable prospect of making a profit from its activities on the land if it continues to operate in the way that it is operating.		
operate in the way that it is operating.	I	

If you answered 'No' to any of these questions you are not eligible for the single farming enterprise exemption. If you answered 'Yes' to all questions proceed to Part D.

Part D - Emergency Services and Volunteers Fund Fixed Charge

Information

- The ESVF fixed charge must be paid on at least one leviable land which forms part of the SFE (the lands do not need
 to be located in a single council municipality). The fixed charge can only be applied to land containing the principal
 place of residence of the occupier provided the land has a non-residential fixed charge, unless all lands in the SFE
 have a residential land use classification.
- * Note: Please nominate the property the ESVF fixed charge will be applied by completing Part F.
