## FOOD ORGANICS, GARDEN ORGANICS KERBSIDE SERVICE

The green bin delivery team has been working hard to deliver our new Food Organics, Garden Organics (FOGO) bins across the Shire.

The persistent rain has created challenges with being able to record the serial number of bins delivered against the relevant property. These records are required to enable us to manage the bin infrastructure across the shire. As a result, they are running behind schedule, and you may not receive your green bin in time for the service to begin week commencing Monday, 3 July.

If you have already received your green bin and caddy, you can start using it right away and put it out for collection as of Monday, 3 July. If you are yet to receive your green bin, please continue to put your red bins out for weekly collection until your green bin has been delivered.

If you have any issues, please reach out to our friendly Customer Service team on [info@alpineshire.vic.gov.au](mailto:info@alpineshire.vic.gov.au) or call us on (03) 5755 0555.
