

KERBSIDE COLLECTION UPDATE

Weekly collection of the red general waste bins for residential properties will end this week, with the new collection model to start from Monday, 31 July. This means that your red general waste bin will permanently move to fortnightly collection, along with your yellow recycling bin. Your green FOGO bin will continue to be collected weekly.

Kerbside collection calendars are available to download from our website. Scan the QR code to download yours. If you'd like a printed copy, please head to one of our Libraries or to the Bright Council Office and one of our friendly staff will help you out!

Your patience has been greatly appreciated as we completed delivery to all areas of the Alpine Shire. We look forward to implementing this new service and reducing our environmental footprint as a community. Because a small act, makes a big impact.

If you have any issues, please reach out to our friendly Customer Service team on info@alpineshire.vic.gov.au or call us on (03) 5755 0555.

TEMPORARY GREEN WASTE DROP OFF – POREPUNKAH

Due to delays in soil testing results at various stages of the capping works project and persistent wet weather, Porepunkah Transfer Station will remain closed weekdays until late spring 2023.

To assist the community through the extended closure, a green waste drop-off site will be open at Porepunkah Pit (entrance from Back Porepunkah Road/ Station Street roundabout), from Friday, 4 August. This drop-off point will be open from 12pm – 3pm every Friday until the Porepunkah Transfer Station is back up and running as normal.

Normal charges will apply – please refer to our website for details: <https://www.alpineshire.vic.gov.au/residents/waste-and-recycling/transfer-station-and-resource-recovery-facilities>

Payment will be taken using card only. Cash is not accepted at the temporary green waste drop off point.
