File Number: CT18094

INTRODUCTION

This report relates to the award of a contract for the completion of a continuous footpath along the length of Station Street in Porepunkah, from the Station/Service Street roundabout through to the Great Alpine Road where it will connect to the Murray to Mountains Rail Trail. The scope of work also includes new kerb and channel and construction of road pavement along sections of Station Street to provide a consistent traffic lane width with parallel parking bays on each side.

RECOMMENDATION

That Council awards Contract No. 1809401 for "Porepunkah - Station Street Upgrade" to McPherson's Earthmoving Contractors for the lump sum price of \$452,482+GST.

BACKGROUND

In October 2018 Council was awarded grant funding of \$519,578 under the Victorian Government's Fixing Country Roads Program for the upgrading of Station Street, Porepunkah. These works will construct the missing sections of footpath and kerb, while increasing the pavement width to provide for a consistent traffic lane width, with parallel parking bays on each side.

The Tender was advertised in the Herald Sun on 7 November 2018, as well as on tenders.net and Alpine Shire Council websites.

The Tender documents were downloaded by 12 prospective tenderers and four responses were received by the closing date.

EVALUATION

The evaluation panel consisted of the Director Assets, Manager Asset Development and the Senior Project Engineer.

The Tenders were evaluated according to the key selection criteria listed in the Invitation to Tender:

- Price
- Qualification & Previous Performance
- Delivery
- Social

The preferred tenderer was invited to clarify aspects of their tender and provide further detail on their proposed methodology, subcontractors and program including their ability to meet the required timeframes. Through this evaluation process it was determined that the tender from McPherson's Earthmoving best met the selection criteria.

POLICY IMPLICATIONS

This recommendation is consistent with the following Strategic Objective of the Council Plan 2017-2021:

- Incredible places for our community and visitors

FINANCIAL AND RESOURCE IMPLICATIONS

CONCLUSION

Following a comprehensive tender evaluation assessment, the Tender from McPherson's Earthmoving is considered to present the best value option for Council.
