Other Items accepted at no charge

- Household batteries
- Compact Fluorescent lamps (CFL's)
- Fluorescent Tubes
- Other globes
- Printer Cartridges

N.B

Household batteries, mobile phones & printer cartridges can also be dropped off for FREE at any of Councils three libraries or at Council's head office in Bright.

Whitegoods include:

- Fridges/freezer
- Air conditioners
- Stoves/hotplates
- Ovens
- Dishwashers
- Washing machines
- Clothes dryers

White goods will be included with the steel recycling contract. Any items needing to be de-gassed (fridges/freezers/air conditioners) will be done on site by a registered refrigeration contractor and then added to the steel stockpile for recycling.

Certain items classified by Sustainability Victoria as E-Waste are not accepted by the E-waste contractors and will be recycled with the steel recycling. The site attendant will explain which items come under this category.

The site attendant will also advise you on any applicable charges on any E-waste not listed here.
