Name(s) –

Other – Show the names on the Plan of Subdivision and attach the plan to this application

**Supporting documentation**

At time of lodgement, attach relevant documentation that supports each name requested. You may wish to consider/address the following in your documentation.

**Reasons** – Why was this name selected?

**History** – Detail the history and background of the name and include source material, references and photographs or images. For personal names include details of the full name of the person, birth/death dates, education, occupation, achievements, community contribution and link to the land/area.

**Existing name** – Detail information on any existing pioneer, indigenous or informal name for the land including meaning and application.

**Support** – Evidence of community support for the name.

**Conditions**

- The approval of personal names during the lifetime of the person will only be made in very exceptional circumstances.
- The approval of personal names for roads will only be made where there is clearly documented evidence of a significant contribution to the community or a direct link to the land and/or immediate area.

**Submit your application and supporting documents in person, by post or by email**
